

# Sis vs. bro in sext slay trial

THE TEXTS were flirtatious, the sexts nude photos, but a prosecutor says the message was murder.

Now a Brooklyn woman who allegedly lured Dwayne Burnett, 26, to his death with the empty promise of a tryst is set to testify against her own brother, who is charged with first-degree murder.

Crystal Copeland, 25, and pal Ebony Geddie, 20 – whose nude photos allegedly enticed the victim to show up for a date – cut a deal for shorter prison time and will testify against Jimmy Copeland, 26, and Rajene Powell-Dickerson, 29. The two men went to trial Wednesday on charges of gunning down Burnett on a Brownsville street in June 2010.
